All students will be going to see a performance at Notre Dame Academy on Friday, January 27th. As part of the Medicine Hat Folk Festival, they will be seeing Michael Bernard Fitzgerald perform. The cost to each student is \$2.00, with the remaining cost paid by the school. This needs to be paid by Friday morning at the latest.

Also, we are in need of volunteers to work at the upcoming Casino, April 6th and 7th. The casino is our main fundraiser and we usually make upwards of \$17,000.00. This money goes towards field trips, technology, fine arts, sports programs and other extracurricular activities. It seems that every year we are looking for volunteers for this major fundraiser. If you can work a shift, or have any questions, please call the school at 403 548-3951, or drop in to pick up the application. Any and all help will be appreciated.

Thank you

Mr. Miller
